DAAD

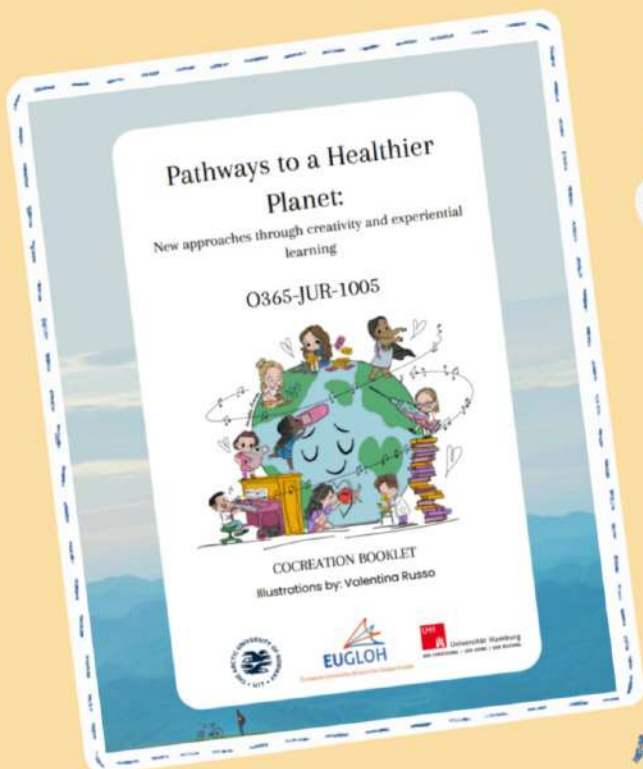

+ another trip
to Brazil

autumn
2024

we are actively working
to uproot gender based
violence (25th november)

preparation for
the EUGLOH course
+ Oxford

This year in numbers:
More than **120** results
registered in Cristin, including
3 open access books, **5**
practicum students from
McMaster Canada, the
University of Turin, **2** satellite
projects, **2** UN Ocean Decade
Endorsements, and three
university courses involved,
with more than **300**
undergraduate and master
students learning about the
Agenda 2030, SDG 14 and
Ocean Literacy. A team of
more than **30** researchers,
illustrators, designers, video-
creators, experts in law, ocean
health, accessibility, emotional
intelligence, planetary health,
gender equality, indigenous
studies, human and nature
rights, *empathy, compassion
and care.*
