WORK EXPERIENCE

Doctoral Research Fellow in Health communication 2021 -

UiT The Arctic University of Norway | Tromsø, Norway

The object of the study is to map young adults' online health information behavior (OHISB) and their needs regarding targeted communication. The findings aim to contribute to reducing the disparity in the social gradient by facilitating informed choices.

Teacher, County of Tromsø 2017 - 2021

Kongsbakken High School | Tromsø, Norway

Upper Secondary School, Tromsø, Troms County Municipality.
General studies. Homeroom teacher in addition to teaching law and Norwegian language. Subject coordinator for law studies. Working with students in need of special education from "Basen" (one-to-one), and music, dance, and drama (MDD).

Teacher, County of Akershus 2014 - 2017

Sørumsand High School | Sørumsand, Norway

Upper Secondary School, Sørumsand, under Akershus County Municipality.
General studies. Homeroom teacher (PV) and subject coordinator in Norwegian language and law studies. Involved in developing a new study direction at the VG2 and VG3 levels; particularly in the subjects Norwegian and law studies, both as a general subject coordinator and in the development of the subjects specifically.

Scientific Assistant 2012 - 2013

UiT The Arctic University of Norway | Tromsø, Norway

Seminar leader for SOS-1008: The Nordic Welfare State and SOS-1003: Medicine and the Society. Organizing and teaching seminars in addition to mandatory lectures. Providing guidance and grading of coursework assignments
